

COmposite BRidge Alliance Europe

December 2006 COBRAE NEWS No. 05-06

COBRAE NEWS is distributed to over 1.900 addresses among the composites industry, bridge builders, bridge designers & bridge owners.

COBRAE NEWS gives information about bridge- and other structural engineering projects worldwide, related the development and application of lighter and more durable construction materials, in particular fiber reinforced polymer composites. COBRAE News is a collection of news items gathered from many sources, such as papers, magazines, newsletters, our readers, exhibitions within AND outside the Composite Industry. Contributions from other sources are welcome and will be included, if they fall within the scope of COBRAE news, so please submit your articles and news!

COBRAE MEMBERSHIP INFO

NOT A COBRAE MEMBER YET?

We would like to ask our readers to become a member of this Alliance. COBRAE will need more members to accomplish all its goals. The Alliance has already established a close co-operation with IABSE and the MDA. COBRAE is a member of IIFC in Hong Kong. For more information about the Alliance and its goals, please visit our website at <http://www.cobrae.org>. You are also invited to contact the administrative office to discuss activities or actions, which you think COBRAE should take. You can either call to (31) 33 4343 500 or e-mail to info@cobrae.org. We look forward to your positive response. At the end of this newsletter you will find a registration form for membership.
